Additional Information

We can begin to take donated food, gift and clothing items on November 1 of each program year. Any questions please call 608-723-2136 ext 194 or email at skleinow@co.grant.wi.gov and leave a message with name and phone number. Items can be brought to the Grant County Dept of Social Services building, which is the white building next to Orchard Manor on Hwy 129. You will see the Holiday Projects signs. Enter at that entrance.

| Website designed by Southwest Tech's 2014 Web Programmer Students | [Admin Login](#)

2. Click on this and it will take you to your control panel login.

Admin Control Panel

Grant County Holiday Project

Home

Please login below to access the control center.

Username:

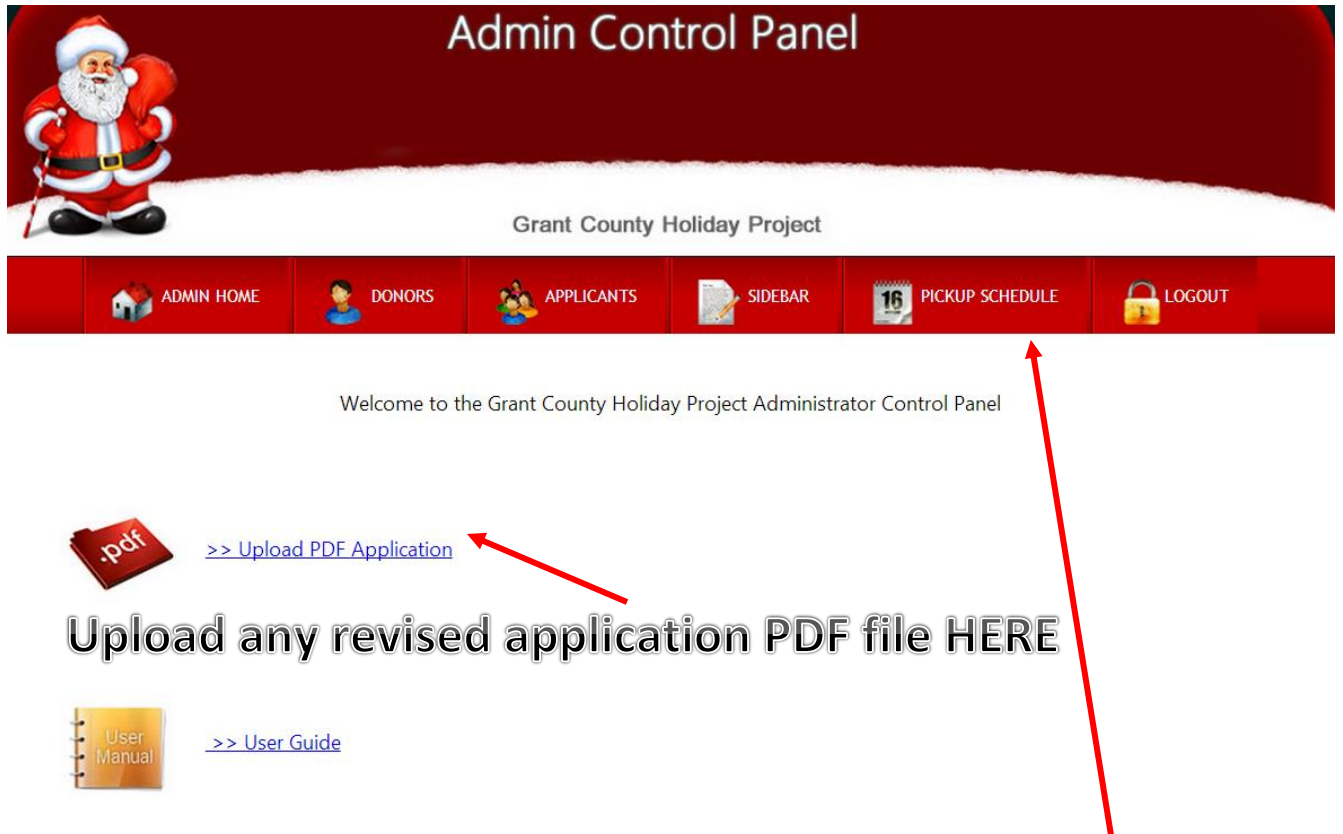

Password:

Login

1. Enter Username: gsqueen
2. Enter Password: spacers1
3. Click on Login button.

Accessing the Pickup Page:

1. You will see this screen upon logging in:

2. Click on the pickup link in the top bar menu and it will take you to that specific page.

3. From here you can edit the information you want to change, add or delete. (see below) Just click on the “Update the Pickup schedule” button to begin this process.

Below is what the public will view when they click "VIEW PICKUP SCHEDULE" on the front page.

Update The Pickup Schedule

2014 Holiday Project Pick up Schedule	
Below is the schedule when you can pick up your Holiday items. You can only pick up your items if you have received a pick up slip. Bring your pick up slip. Your items will only be available on original date or on make-up date listed below. After Friday Dec 21st items will be placed back in project inventory for next year and not available.	
Wednesday Dec 4th	Pick up Towns Blue River and Muscoda, and Cassville addresses
Thursday Dec 5th	Pick up for Towns of Lancaster, and Beetown addresses.

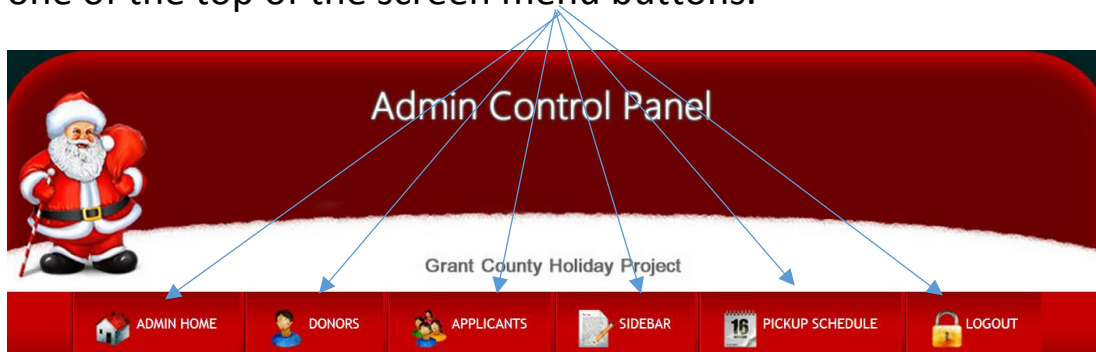

4. It will then take you to this page from where you can click inside any text boxes and use the backspace to remove data and re-type in new information, etc. After your done editing, click the button on the bottom right of this screen and your information is changed and visible now to your users.

Row 6	Date: Thursday Dec. 12th	Description: Pick up for Cuba City, Kieler, Dickeyville, Hazel Green, and Potosi addresses
Row 7	Date: Monday Dec 16th	Description: Pick up for Towns of Fennimore, Stitzer, Livingston, and Montfort addresses.
Row 8	Date: Tuesday Dec 17th	Description: Pick up for Platteville.
Row 9	Date: Wednesday Dec 18th	Description: Pick up for those late applications. Will receive pick up slip for this date.<
Row 10	Date: Thursday Dec 19th	Description: For all who did not pick up on above dates Last date to get items. Program ends.
:: Pickup time Info :: Pick up times begin at 1:00 p.m. continue until 5:00 p.m		

[Update](#)

Admin Management Panel

5. After this you can logout or go to another page simply by clicking one of the top of the screen menu buttons.

Accessing the Sidebar:

1. After entering the username and password at the admin login page (page 3), click the sidebar button at the top.

Welcome to the Grant County Holiday Project Administrator Control Panel

[>> Upload PDF Application](#)

Click HERE to upload any revised PDF Application

[>> User Guide](#)

2. Next you will see this screen. From here you can click on the upper left corner, “Add a new item to sidebar” to add something new.

The screenshot shows a web application interface. At the top is a red navigation bar with icons and labels: ADMIN HOME, DONORS, APPLICANTS, SIDEBAR, PICKUP SCHEDULE, and LOGOUT. Below the navigation bar, the breadcrumb path is '>>>> Manage Sidebar'. A link 'Add a new item to sidebar' is located below the breadcrumb. A table with four columns (Title, Subtitle, Paragraph, Edit) contains three items. Red arrows point from the text in step 2 to the 'Add a new item to sidebar' link, and from the text in step 3 to the 'Delete' and 'Edit' buttons in the table.

Admin Management Panel

6. When you click on the “Edit” button, the screen above will appear. You can then click inside the text box you want and proceed to edit or update the information as desired. Click submit when finished.

Donor Documentation

User Side

Click on the “donor” link on the menu bar of the homepage.

>>> [Donate](#)

This will take you to the donor page. You can add yourself to the list of donors here by clicking the “Donate” button.

Full Name 	Donator Contact
Email 	Home Phone
Address 	City
State 	Zip Code
Add	

After using the link you will be taken to the new donor form.

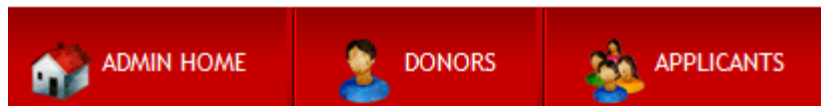

After filling out the form and clicking the “Add” button, the new donor will be added to our database.

Once a donor has been added they have the options to send a check to our address or pay online through Paypal.

Administration Side Donor

Click on the “donor” link.

Here you can select specific donors or “ALL” donors

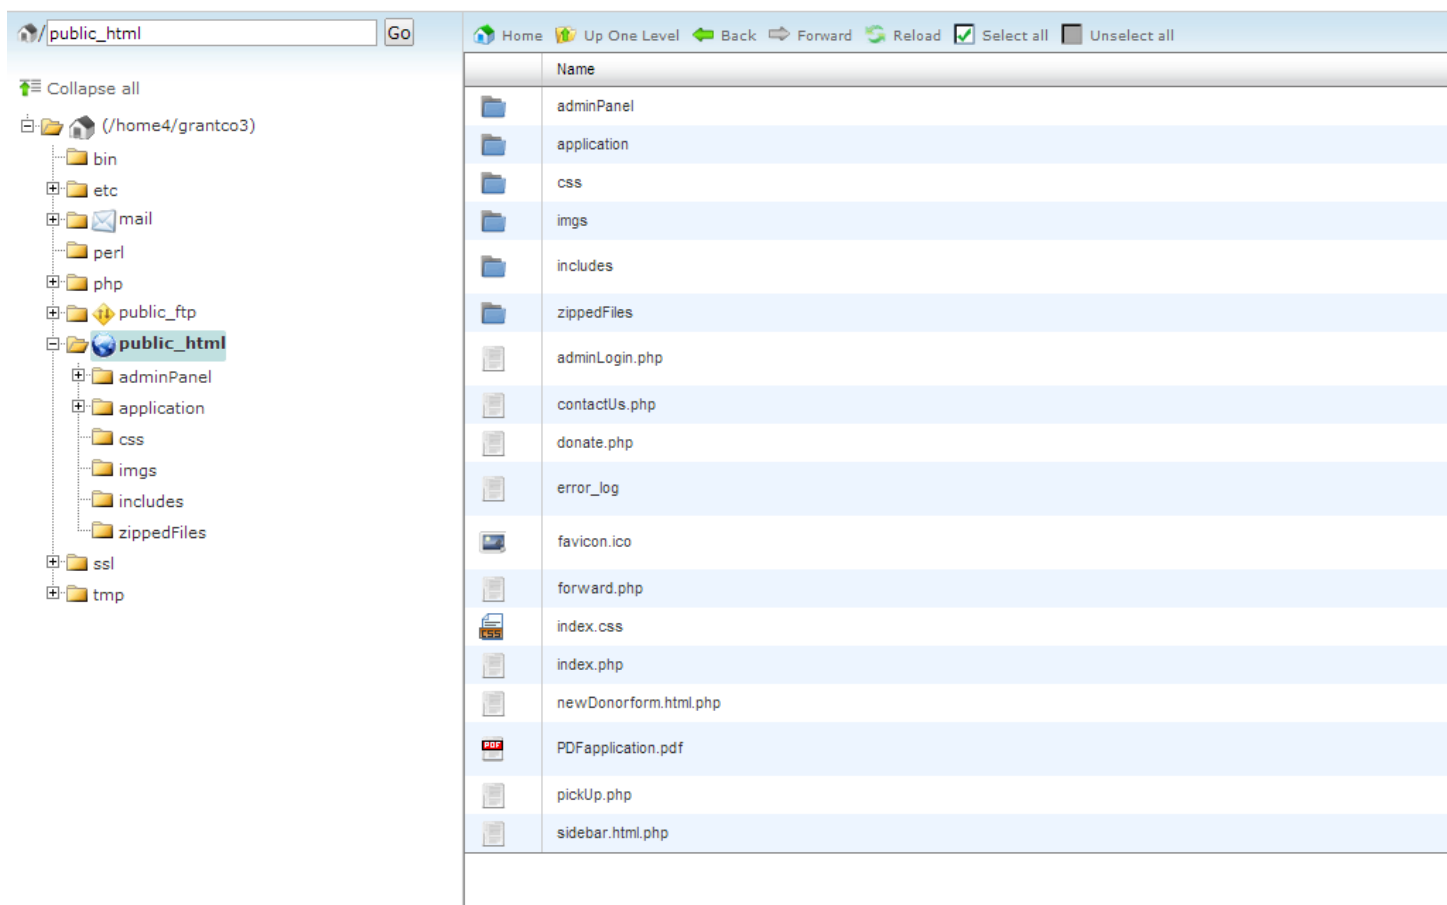

>>> [Add New Donor](#)

Search by Name 

After selecting a donor you will be allowed to edit that person's information delete or add donors..

SWOT analysis of GCHP

Task List – GCHP

Everyone

Implement our test site to current site – April 25

Test

Merge user documentation into one

Josh-

~~Add more children to Admin side~~

On approval add send email to applicant if email exist.

~~Delete all applicants button~~ – Add confirm

~~Print applicants information~~

User Document

Login – commented out in most code

Sterling

~~donor – adminPanel – add, change, and delete~~

donor.php – form and add to donor table

paypal link working

Create mail merge letters that use our donor table

User Document –donor and paypal

Traci

~~Sidebar – adminPanel – add, change, and delete~~

~~Change to sidebar table not bar~~

~~Remove documents from site – accept application pdf~~

~~Change button on Admin to upload new application~~ – Make it look better

~~Work with Josh to get the upload to work~~

Make sure all links are working! – payitforward.php – css issue.

Check admin links – look at admin side

Check out title admin

Carl –

Applicant – walk through.

~~Pickup – adminPanel – add, change (change submit button to update), and delete~~

~~Research dreamhost – domain cost for nonprofit~~

User Document – sidebar and pickup

Check for errors -

~~Check your SEO changes~~
